

Send School Newsletters in Finalsite

Smore now integrates with Finalsite, giving you the power to create beautiful newsletters to send to families, colleagues, or your broader school community. The best part: we're giving you a **free trial** to celebrate the partnership!

What's included in the Smore free trial?

- ✓ Quick access to send Smore newsletters without leaving Finalsite
- ✓ Auto-translation to **130+ languages**
- ✓ **Ten Smore newsletter credits** so you can create different messages for all of the audiences you need to reach
- ✓ Everything you need to create newsletters that **match your style**, including full access to the Smore drag-and-drop editor, special backgrounds for educators, and no Smore branding

Want to level up even more?

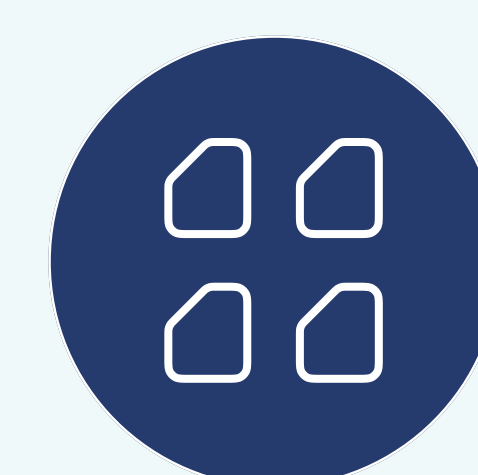

We have special rates on Smore for Teams for schools and districts that want to collaborate to create snazzy, branded newsletters. Smore for Teams includes everything above, plus:

Unlimited newsletters

Newsletter analytics

Custom templates to fit your role

Collaboration and shared folders

Brand Kits and templates

Implementation and ongoing support
